A FRIENDLY PLACE FOR NICE PEOPLE.

To our knowledge, Callicoon Hills resort may very well be as old as the town itself, and one day, like the town's famous bandstand, it will truly become a landmark.

Our humble beginning as a boarding house & gristmill built by the Wentzel family c. 1905 started the story. We transitioned to a vacation resort after acquisition in the 1940's by the Hill family, who stewarded the resort through the Borscht Belt era of the '60's, where the Hills solidified its reputation as "A Friendly Place for Nice People".

As chance would have it, a young family visited Hill's Resort in 1973 and decided to purchase the resort after Bruno (who joined as a chef before marrying Marie Hill) told them, "if you like it so much, why don't you buy it!" Hill's then passed to Walter, Anna, and Ela Ambrozewicz, the aforementioned young family, who promised to continue the tradition of warm & personable hospitality.

Today, Callicoon Hills is deeply inspired by the past lives of the property. Conover Club is our vision of a place to visit daily during your stay - where mealtimes lead to quick friendships and jovial humor.
